To read the list of countries that make up the West African Union Mission, it sounds as though one were reading the daily newspapers, for these are some of the emerging nations of Africa that are frequently in the news today. We cannot answer all their calls, and needs, but this quarter our Sabbath school members around the world will have the privilege of contributing toward three specific projects; namely a girl's dormitory at our Edo secondary school in West Nigeria, a boy's dormitory for our college in West Nigeria, and a leprosorium in Sierra Leone.

The Thirteenth Sabbath Offering will be taken up in our Sabbath school next Sabbath December 26, and all are urged to give a real sacrificial offering in the nameof the Christ Child while the doors are still open and hands are stretched out to us from these needy fields of West Africa.

Let's spread Christ's message through these questing lands.
